
SAFETY GUIDELINES

MASK IT UP. Masks are required when ordering at the bar and when entering, exiting, and moving through our indoor and outdoor spaces. Bartenders will be wearing masks and gloves.

GIVE EVERYONE THEIR 6 FEET. When entering, exiting, or walking through the space.

HIT UP THAT HAND SANITIZER. We have pumps stationed around the space for your convenience and safety.

DISPOSABLE MENUS & CUPS. For the time being, we will use disposable menus and disposable cups.

RAMPED UP SANITATION. Restrooms, door handles, and other high traffic areas will be wiped and sanitized frequently using CDC approved chemicals. Bartenders will sanitize hands between every order.

STICK WITH THE CREW YOU ROLLED IN WITH. That's not to say you can't buy a round of drinks for the group across the room.

HAVE FUN. We're so excited to welcome you back. Please stay safe and help us do the same!
